The governing body entrusted with the overall management of the public limited company is the Board of Directors.

### **MEMBERS OF THE BOARD OF DIRECTORS**

Chairperson                **Dr Silvana Carloni**

Deputy Chairperson      **Dr Enrico Fava**

Directors                    **Giosuè Boldrini**

**Luca Zini**

**Francesco Troiani**

**Dr Stefano Giuliano Bianchi**

---

## QUALITY

- As an accredited private hospital, Villa Maria aims to offer the public appropriate and efficacious health treatments provided by highly professional medical specialists and caregivers. The hospital's targets are continuously updated and include:
- Constant improvements in accommodation quality and comfort, conforming to the best applicable standards and legislation
- Continuing technological renewal with the purchase of new equipment and devices
- Implementation of a quality system to maintain and enhance the requirements envisaged by regional and national standards
- Constant review of the medical and nursing procedures applied to ensure augmented integration between medical staff, as a means of increasing diagnostic and therapeutic efficiency

Particular attention is dedicated to clinical risk management. To achieve the maximum safeguards for patients, Villa Maria has a team of health operators who continue to analyse all risks associated with medical activities, including the control of hospital-acquired infections.

Villa Maria actively monitors all possible parameters to ensure the maintenance of hospitalization quality standards, by means of:

- Audits by Medical Management and the Quality Office on the maintenance of the predetermined standards and the commitments assumed
  - Systematic monitoring of complaints and response times
  - Development and processing of patient satisfaction questionnaires
-

## AUTHORIZATIONS

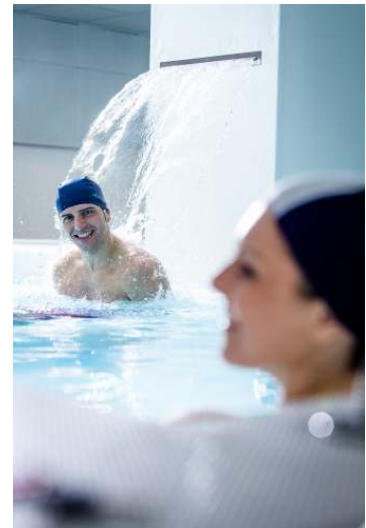

Villa Maria was authorized for operation with Order 20563 of the Mayor of Rimini, dated 4 February 2005. To improve its organizational system even further, Villa Maria achieved certification in compliance with the ISO 9001 international standard in September 2008. Villa Maria is also a member of the AIOF Italian Association of Private Hospitals, pursuing its aims and standards of quality, assistance and organization.

## OUR MEDICAL STAFF

### **Dr Mauro Alfarano**

Specialization in Orthopaedics (Consultant in Orthopaedics)

### **Dr Cesare Antonelli**

Specialization in Dermatology and Venereology (Consultant in Dermatology)

### **Dr Ennio Arcangeli**

Specialization in Radiology (Consultant in Ultrasonography)

### **Dr Pierluigi Arcangeli**

Consultant in Orthopaedics (Specialization in Orthopaedics and Traumatology,  
Specialization in Medical Hydrology, Specialization in Medical Hydrology)

### **Dr Maurizio Barca**

Specialization in Anaesthesia and Intensive Care (Consultant in Anaesthesia, Intensive  
Care and Pain Therapy)

### **Dr Giuliano Basconi**

Specialization in Orthopaedics and Traumatology

### **Dr Sergio Bentivoglio**

Specialization in Gynaecology and Obstetrics (Consultant in Gynaecology)

### **Dr Alessandro Betti**

Specialization in Anaesthesia and Intensive Care

### **Dr Loris Betti**

Specialization in Physical Medicine and Rehabilitation (Director of Physiotherapy and  
Rehabilitation Services)

### **Dr Gianluca Bianchetti**

Specialization in Ophthalmology (Consultant in Oculistics)

### **Dr Federica Bianchi**

Specialization in Dermatology and Venereology (Consultant in Dermatology)

### **Dr Sara Biondi**

Dietician

---

**Dr Jury Brandolini**

Specialization in Thoracic Surgery (Consultant in Surgery)

**Dr Carmelo Bucolo**

Specialization in Gynaecology and Obstetrics (Consultant in Gynaecology)

**Dr Pier Paolo Canè**

Specialization in Orthopaedics and Traumatology (Consultant in Orthopaedics)

**Dr Stefano Canuti**

Specialization in Vascular Surgery (Chief of Surgery)

**Dr Paolo Canzi**

Consultant in Otolaryngology (Specialization in Otolaryngology and Cervicofacial Pathology, Specialization in Hydrology, Climatology and Thalassotherapy, Specialization in Audiology)

**Dr Alberto Carbonelli**

Specialization in General Surgery

(Consultant in Surgery)

**Dr Michele Carbonelli**

Specialization in Ophthalmology (Consultant in Oculistics)

**Dr Alessandro Cardelli**

Specialization in General Surgery and Gastroenterology (Consultant in Digestive Endoscopy)

**Dr Silvana Carloni**

Specialization in Ophthalmology (Managing Director and Director of Oculistics Functional Unit)

**Dr Paolo Caruso**

Specialization in Ophthalmology (Consultant in Oculistics)

**Dr Marta Casacci**

Specialization in Oculistics (Consultant in Oculistics)

**Dr Isabella Casagrande**

Specialization in Otolaryngology and Audiology (Consultant in Otolaryngology)

---

**Dr Vincenzo Castello**

Surgeon

**Dr Myriam Cecchi**

Specialization in Neurology and Orthopaedics (Consultant in Orthopaedics)

**Dr Maria Rita Cesari**

Specialization in Obstetrics and Gynaecology (Consultant in Obstetrics and Gynaecology)

**Dr Giulio Cipolla**

Specialization in General Surgery (Consultant in General Surgery)

**Dr Rosarina Conte**

Specialization in Anaesthesia and Intensive Care

**Dr Roberto Cozzolino**

Specialization in Orthopaedics and Traumatology (Consultant in Orthopaedics)

**Dr Maria Rodica Danescu**

Graduate in Medicine and Surgery (Consultant in Acupuncture)

**Dr Radu Constantin Danescu**

Specialization in General Surgery (Consultant in Surgery - Consultant in Doppler Ultrasonography)

**Dr Gaetano Di Fronzo**

Specialization in Hygiene and Preventive Medicine, Specialization in Anaesthesiology and Intensive Care (Consultant in Doppler Ultrasonography)

**Dr Raffaella Marina Di Renzo**

Specialization in General Surgery

**Dr Antonio Paolo Fabrizi**

Consultant in Orthopaedics (Specialization in Neurosurgery)

**Dr Saadi Saeid Fahandaj**

Specialization in Neurology (Consultant in Neurology – EMG – EEG)

**Dr Saverio Paolo Fiore**

Specialization in Orthopaedics and Traumatology (Consultant in Orthopaedics)

---

**Dr Stefano Forlani**

Specialization in Radiology, Radiodiagnostics and Imaging Sciences

**Dr Marco Fravisini**

Specialization in Orthopaedics and Traumatology (Consultant in Orthopaedics)

**Dr Francesco Garofalo**

Specialization in Urology

**Dr Giovanni Gentili**

Specialization in Emergency Surgery, Thoracic Surgery, Gastroenterology and Digestive Endoscopy (Consultant in Endoscopy)

**Dr Diego Ghinelli**

Specialization in Orthopaedics and Traumatology

**Dr Maria Giovanna Giannini**

Specialization in Anaesthesia, Intensive Care and Applied Pharmacology

**Dr Antonio Giannuzzi**

Surgeon

**Dr Marco Giordano**

Specialization in General Surgery (Consultant in General Surgery)

**Dr Giorgio Gobbi**

Specialization in Cardiovascular Diseases and Infectious Diseases

**Dr Simone Grana**

Specialization in Orthopaedics and Hand Surgery (Consultant in Orthopaedics)

Specialization in Endocrinology and Metabolic Diseases (Consultant in Endocrinology and Metabolic Diseases)

**Dr Laura Triacca**

Specialization in Plastic Surgery

---

**Dr Sandro Vasini**

Specialization in Orthopaedics and Traumatology (Consultant in Orthopaedics)

**Dr Andrea Venè**

Specialization in Ophthalmology (Consultant in Oculistics)

**Dr Sandro Venè**

Specialization in Otolaryngology and Audiology (Consultant in Otolaryngology)

**Dr Livia Visani**

Surgeon

**Dr Elena Zamagni**

Specialization in Orthopaedics and Traumatology (Consultant in Orthopaedics)

**Dr Nicola Zanini**

Specialization in General Surgery (Consultant in General Surgery)

**Dr Alessandra Zannoni**

Consultant in Otolaryngology (Specialization in Otolaryngology)

## THE NEW VILLA MARIA

With its 2011–2014 investment programme, Villa Maria has embarked on an exceptional plan of action that has seen the restructuring and extension of the current hospital complex, with a major regeneration of its functions, technologies and image. The aim is to give the centre of the city of Rimini access to a centre for surgical procedures and physical rehabilitation offering the highest possible levels of technology and safety, capable of providing a wide range of medical treatments, starting in particular from its specific specializations: Orthopaedics, Spinal Surgery, Proctological Surgery, Oculistics, General Surgery and Phlebological Surgery.

All patient admission and registration areas are also due to be renovated and reorganized, increasing from the present 280 m<sup>2</sup> to about 530 m<sup>2</sup>, with the use of material, colours, lighting systems and signage guaranteeing a bright and friendly atmosphere and easy orientation around the complex.

The restructuring and extension project involves an overall surface area of 6300 m<sup>2</sup>, of which 3600 m<sup>2</sup> are for extensions (2600 m<sup>2</sup> for technical facilities and circulation, and 1000 m<sup>2</sup> for hygiene spaces) and 2700 m<sup>2</sup> are restructurings. The overall surface area is being increased from about 6300 m<sup>2</sup> to about 10,000 m<sup>2</sup>.

All patient admission and registration areas are due to be renovated and reorganized, increasing from the present 280 m<sup>2</sup> to about 530 m<sup>2</sup>, with the use of material, colours, lighting systems and signage guaranteeing a bright and friendly atmosphere and easy orientation around the complex. Significant spaces are also dedicated to staff, and in particular for changing facilities on the basement floor, to be increased from the current

---

72 m<sup>2</sup> to about 180 m<sup>2</sup>. Easier access will be ensured by an increase of about 700 m<sup>2</sup> in parking areas, using the new space of 1200 m<sup>2</sup> on Viale Matteotti, directly owned by Villa Maria.

## WHERE WE ARE AND HOW TO REACH US

### BY AIR.

Fly to Rimini's "Federico Fellini" International Airport. Taxi and bus services are available from the airport forecourt. Villa Maria is about 5 km away.

### BY ROAD.

Arriving in Rimini from the south, follow the signs for Rimini "Infermi" Hospital (Via Settembrini) and then for the city centre. Villa Maria is between Borgo San Giuliano, the Tiberius Bridge and the Harbour Channel. On reaching the edge of the city centre, continue along Viale Roma and Via Dei Mille.

### FROM THE MOTORWAY.

Take the Rimini South exit and then follow the signs for Rimini. Continue straight on, in the direction of the signs for the station and the city centre. Follow Viale Repubblica, Via C.A. Dalla Chiesa and Via Fada, and keep straight on at the roundabout. After about 100 metres there is a compulsory left turn into Via Settembrini. Follow this towards Viale Roma and Via Dei Mille, and after crossing the Ponte dei Mille bridge over the Harbour Channel, Villa Maria is in the second street on the left.
